

## A BIT ABOUT THE LITTLE MAN

Wilson burst on to the stand up comedy scene in November 2011, quickly getting to the final of the 'max Turner prize' in just his fourth gig. At first he comes across as a cheeky chappie, but it doesn't take long to realise that Wilson has a lot more strings to his bow. A mixture of sharp observations, pinpoint accents and curveball one liners that suit all types of audience's.
